IMPORTANT INFORMATION FOR ORGANISERS OF SHOW'S AND EXHIBITORS OF CATTLE 2017

SPECIFIC REQUIREMENTS - CATTLE

The following changes are being introduced for keepers of bovine animals who wish to show cattle - these changes apply from the 2014 Show season.

Keepers of cattle are now required to obtain a Certificate of Compliance prior to the movement of an animal to a Show. Certificates of Compliance can be obtained online from the Animal Identification and Movement (AIM) system through the www.agfood.ie facility or from the Cattle Movement Notification Agency.

When applying for a Certificate of Compliance, keepers should not specify a destination herd.

On the day of the Show, the Certificate of Compliance should be presented to the Show Secretary along with the bovine passport for the animal.

The keeper and the Show Secretary will then sign the Movement Notification section of the Certificate which will then be sent to the local DVO for recording onto the AIM system.

Please note that only cattle for which a valid Certificate of Compliance is provided to the Show Secretary will be allowed to be shown on the day of the show.

These Certificates will replace the previously-used CMMS4 forms.

Rules and Conditions of the Show

1. All exhibits must be the bona-fide property of the exhibitor. All animals must be the property of the exhibitor since 1st August, 2017.
2. The Judge's decision as to merit must be final. Any objection on other points to be lodged before 5 p.m. on day of the Show with the Secretary, together with a fee of £5. All objections to be declared by the Sub-Committee and the fee returned except the objection be considered frivolous.

23. The Show Committee will not be responsible for the sale of any item or exhibit.
24. The Show Committee reserve the right to substitute cash prizes with vouchers for product.

Important Notice to Animal Owners involved in Showing Animals

The Irish Shows Association would advise all Animal owners who have their Animals Insured to have the Insurance cover extended to cover them while showing Animals at shows, we understand that it costs very little or nothing at all depending on who you have Insurance cover with.

If you are one of the few who don't have cover we would advise that you think about putting it in place for this purpose it may be well worthwhile.

The reason for us giving you this advice is to protect yourself in the event of your animal lashing out, and injuring someone or damaging someone's property, if that were to happen, and it is established that your animal was out of your control you may be held responsible, or partly responsible for any Injury or damage caused & may end up paying all or part of any settlement reached.
